

Dear Resident

At a meeting last year, it was decided by those local residents attending to take up the opportunity of shaping how our village develops and to produce a Neighbourhood Plan. Neighbourhood Plans can't stop development but they can influence it, for example by saying where local people think new homes or businesses should go and what they think is important to preserve about their village. Once approved by local residents, a Neighbourhood Plan is a legal document that the District Council has to take into account when deciding on planning applications.

It is really important that as many residents as possible give their ideas on how they would like to see the village changing in the future and so we hope you will be able to find the time to read this and to complete the questionnaire. We appreciate everyone's busy so we hope the chance to win an iPad mini* for completing the questionnaire might help!

With many thanks

John Millard
Chair of Misterton Neighbourhood Plan Steering Group

*Completed questionnaires need to be returned at one of the public events or to The Misterton Centre by Saturday 30 April 2016 and will be validated, to make sure the entries are from Misterton residents, then entered in a prize draw. You may also scan the completed questionnaire and e-mail it to theclerk@misterton-notts-pc.gov.uk. All responses will be treated in the strictest confidence; personal data is required for entry into the competition only and will not be shared with third parties. It is essential that you complete all sections of the questionnaire to be entered into the prize draw. If there is not enough space for all you want to say, please continue on a separate sheet.

For illustration purposes only.

Progress so far in developing Misterton's Neighbourhood Plan

Misterton has changed over the past 100 years as the photographs on the front cover show. Development and change are an inevitable part of life. Sustainable development is at the heart of Neighbourhood Planning and this is development that:

- aims to enhance people's lives and their sense of community/ belonging
- enhances and protects the historic buildings and cultural heritage of the village
- gives people the opportunity to live and work in the village/ locality
- protects and enhances the village's environment, its green places and wildlife
- does not waste resources.

Following the public meeting, a Steering Group was formed and has been meeting over the last few months to begin the job of making a Neighbourhood Plan a reality. The Steering Group is a small group of residents and parish councillors, which has developed this questionnaire.

We were keen to take up the opportunity to produce a Neighbourhood Plan that gives the whole village the chance to have a say in the future of where we live and many of us work. We will be holding two open events to give more information about Neighbourhood Plans, where we're up to, and, most importantly, to hear your thoughts on the future of the village.

We are sending a separate questionnaire to businesses in Misterton.

Because of the proximity of some Walkeringham residents to Misterton, we have been advised that the Neighbourhood Plan should include their views as well.

Want more copies of this questionnaire?

We have delivered one copy to each household in Misterton (and the houses we've included in Walkeringham) – it's up to you who fills it in. But if you would like more copies, you can get them:

- at the consultation events on Thursday 22 March
- from The Misterton Centre (ring 891872 if you haven't got time to call in)
- on the website (www.mistertonneighbourhoodplan.co.uk).

These events, for Misterton residents only, are on:

TUESDAY 22 MARCH

12 noon – 2.00pm

Planning over Pie & Peas at the Dovecote Café

Free pie and peas lunch! Members of the Steering Group will be there to hear your views and to answer questions

6.00-8.30pm

Planning over a Pint at the Red Hart

Members of the steering group will be there to hear your views and to answer questions with a free pint afterwards!

If you can't make either of these events, you can call into The Misterton Centre on Tuesdays or Wednesdays (10.00am – 3.00pm) to speak to the Parish Clerk, who is also clerk for the Neighbourhood Plan Steering Group. You can go to the Misterton Neighbourhood Plan website (www.mistertonneighbourhoodplan.co.uk) and Facebook pages. And we will be arranging another public meeting so look out for the date.

There will also be a stand at the Village Gala on Saturday 2 July. Members of the Steering Group will be going to Misterton Primary School, and will be speaking to local secondary schools and other youth groups to ask Misterton's young people to give their views, too.
